### Duties and Responsibilities

- Conduct research and analysis on various environmental issues and provide recommendations for policy and practice.
- Participate in the development of research proposals and manage research projects.
- Organize and lead training courses, workshops, and seminars on environmental issues for students, professionals, and the wider community.
- Develop and maintain relationships with national and international scientific organizations, and collaborate with them on joint research projects.
- Provide technical and scientific advice to the Kurdistan Regional Government and related institutions on environmental issues, as and when requested.
- Support the capacity building of UKH academic and administrative staff in environmental studies.
- When agreed upon, exchange students with national and international scientific organizations to enhance knowledge sharing and research.

### Person Specifications

- Master's degree in Environmental Engineering or related field.
- Experience in conducting research and analysis on environmental issues.
- Knowledge of environmental policies, regulations, and best practices.
- Strong project management skills.
- Excellent written and verbal communication skills.
- Ability to work independently and in a team.
- Proficiency in English and Kurdish languages.

---

### HOW TO APPLY

- Interested applicants are requested to email their Application Form, CV, and Personal Statement to [jobs@ukh.edu.krd](mailto:jobs@ukh.edu.krd) by indicating the specific Vacancy Title: Environmental Engineer and inserting the most recent passport-size photo in the area provided on the application form.
- Only complete applications: Application Form (with the most recent photo), Personal Statement and CV will be considered.
- The size of the photo must be 45mm x 35mm with no less than 150 pixels for quality.
- Any application that does not specify the vacancy applied for will not be considered.
- An Application Form is available at 'Vacancies' on the University website (<http://www.ukh.edu.krd>).
- Only short-listed candidates will be contacted for an interview.
