University of Kurdistan Hewlêr  
زانکۆی کوردستان ههولێر

**Duties And Responsibilities**

Teaching:

- Deliver (3 – 5) modules per semester to undergraduate and postgraduate students, demonstrating flexibility in teaching a broad range of subjects within Computer Science and Engineering.
- Participate in designing modules and programmes in the field, reflecting the latest developments while adhering to quality standards and professional requirements.
- Design and implement assessment methods aligned with learning outcomes, providing timely feedback and support to students.
- Supervise dissertations and projects, fostering student engagement and learning.
- Create an environment that stimulates student interest and learning.

Research:

- Conduct research and scholarly activities within the field, contributing to the University's reputation as a leader in the region.
- Present academic papers at credible academic gatherings.
- Publish research outcomes in reputable journals and present findings at conferences.

Administration:

- Engage in academic and administrative committees at various levels.
- Contribute to administrative tasks such as student recruitment and module coordination.

Society Engagement:

- Contribute to knowledge transfer, leadership, public service, and consultancy activities of the University.

**PERSON SPECIFICATIONS**

The post-holder should have the following qualifications, skills, and competencies:

Assistant Professor:

- A candidate can be employed directly as an Assistant Professor by UKH provided that he/she is a holder of a PhD from an accredited university and has the credentials that qualify him/her for that post provided that the candidate has held the title of Lecturer or equivalent in an academic institution.
  - Minimum of 5 years of teaching experience in Higher Education and carrying out research. A Higher Education Teaching Certificate is required.
  - Minimum of 5 peer-reviewed articles published in Thomson Reuters, SCOPUS or DOAJ listed journals.
  - Deep experience in Teaching one of these subjects:
    - Programming languages with different paradigms.
    - Database system design and implementation.
    - Web technologies and programming frontend and backend, preferably with mainstream frameworks.
    - Computer Graphics and Game Development.
    - Media design and Graphic Design.
  - Published book(s) or book chapter(s) is an advantage.

Lecturer:

- All candidates in teaching capacity who are fresh PhD holders are appointed as Lecturers. Candidates from Kurdistan Region and Iraq with no teaching certificate will be offered a three-month training to obtain such a certificate while other candidates will be required to present a recognized teaching certificate as part of their employment documents.
- Fresh PhD holders must have 2-3 publications in standard journals relating to their degrees.

General Requirements:

- A recognised Teaching Certificate at the university level.
- Fluency in English Language - Reading, Writing, and Speaking (ability to teach in English).
- A consistent record of teaching in the specialised area.
- Have experience with international academic experience.
- The ability to comfortably teach across Programmes (3 – 5 modules), curricula and to supervise dissertations and project works.
- Strong knowledge of subject areas combined with a broad subject background.
- Interpersonal, planning, and organisational skills.

University of Kurdistan Hewlêr  
زانکۆی کوردستان ههولێر

- A good team player with the ability to work harmoniously with colleagues and students of all cultures and backgrounds.
  - Commitment to high-quality teaching and fostering a positive learning environment for students.
  - Commitment to continuous professional development, academic research, and income generation.
  - Ability to deal with sensitive information with discretion and to maintain confidentiality at all times.
-
