Vacancy Announcement

Lecturer/Assistant or Associate Professor/Professor in Political Economy

The Programme of Politics and International Relations is making significant investments in new academic positions to support its strategic development within the next five years to enable the Programme to be an active academic player in the field of Political Economy.

The recruited post-holder will endeavour to contribute to the success and growth of the Programme. We are particularly interested in applicants who are exploring this area through international politics of oil, environment, gender, feminist, postcolonial, and/or decolonial lenses.

University of Kurdistan Hewlêr

زانکۆی کوردستان ههولێر

DUTIES AND RESPONSIBILITIES

Teaching:

- Be able to comfortably deliver at least three modules (9 hours) in the field of knowledge to undergraduate and postgraduate students and to participate in designing modules and programmes in all areas of Political Economy (and/or a closely related field/discipline) whenever required to reflect the latest developments in the subject area(s). This should be done following the University quality enhancement policy and processes, in addition to professional body requirements and to create interest and learning amongst students.
- Be able to develop new modules in all areas of Political Economy, especially the politics of oil and gas in the Middle East region, and energy politics and law.
- Be able to deliver modules at the UG and PG levels in the fields of domestic and political economy adhering to the University's established procedures for module descriptor development including pre-defined learning outcomes and assessment scheme.
- Undertake assessment and examining duties and act as a general supervisor and dissertation supervisor for students of UG PIR, the MA PIR, and MA DIL programmes.
- Be able to supervise students at the undergraduate and postgraduate levels.
- Be able to supervise students at the Doctoral level.
- Contribute to the administrative work of both the UG PIR, MA PIR, and MA DIL programmes.
- Design and implement appropriate assessment methods corresponding to targeted learning outcomes in the module descriptors, ensuring established standards are maintained and timescales adhered to. Provide support, counselling, and tutorials to students.
- Stimulate the students to have the opportunity to be engaged and challenged.
- Supervise undergraduate and postgraduate dissertations and projects relating to International Relations in general and International Political Economy in particular or a closely related field/discipline.
- Provide constructive and timely feedback to students and other stakeholders and advise on areas of concern and suggest improvement.
- Provide general support to students with scheduled office hours, tutorials, and follow-up on student attendance and progress.
- Work with other faculty and administrators in developing program curriculum, standards, and policies, including reviewing and participating in textbook selection process where appropriate. Quality Assurance (QA) for enhancing student's learning outcomes.

Research:

- Carry out related independent high-quality research output in the field of Politics of Oil, Politics of Money in the World Economy, Global Environmental Politics, and Global Business in International Relations (and/or a closely related field/discipline) in international journals and/or books that increases the global visibility and reputation of the University.
- Carry out research and scholarly activities as well as publishing in areas of specialization. Ensure research outcomes are relevant and applicable to key areas of teaching and benefit the students of the University and the Kurdistan Region.

زانگۆی کوردستان ههولێر

- Present academic papers at credible academic gatherings such as but not limited to conferences and symposiums (nationally and internationally).
- Write expert reports, letters or other documents dealing with complex, contentious, and sensitive situations (e.g. writing a project plan for a committee, writing reports to grant awarding bodies on progress of research projects, preparing written analysis of research data).
- Follow up on improving the quality of research and support the role of the University as a leader in the region.
- A high sense of initiative, leadership qualities, and proven ability to seek and obtain research funding.

Administration:

- Actively participate in academic and administrative committees formed on Programme, school, and university levels.
- Contribute to the administrative/management tasks (i.e. marketing, student recruitment, directing Programmes, module coordination, etc.) as and when required.
- Ability to contribute effectively to the administrative work of the UG PIR, MA PIR & MA DIL and to work effectively with colleagues as part of an interdisciplinary team.

Additionally, the selected applicant is to undertake any other Teaching, Research & Administrative reasonable duties commensurate with the nature of the post and as requested by the line manager.

Society Engagement:

- Contribute, where appropriate, to knowledge transfer, leadership, public service, income generation, and consultancy activities of the University.
