**DUTIES AND RESPONSIBILITIES**

Teaching:

- Be able to deliver (4 – 6) modules per semester to undergraduate and postgraduate students with the flexibility to teach a broad range of subjects within the field of Architectural Engineering.
- Be able to participate in designing modules and programmes in Architectural Engineering whenever required to reflect the latest developments in the subject area(s). This should be done in accordance with the University quality enhancement policy and processes, in addition to professional body requirements, and to create interest and learning amongst students.
- Design and implement appropriate assessment methods corresponding to targeted learning outcomes in the module descriptors, ensuring established standards are maintained and timescales are adhered to. Provide support, counselling, and tutorials to students.
- Stimulate the students to have the opportunity to be engaged and challenged.
- Supervise undergraduate and postgraduate dissertations and projects relating to Architectural Engineering.
- Provide constructive and timely feedback to students and other stakeholders, and advise on areas of concern and suggest improvement.
- Provide general support to students with scheduled office hours, tutorials, and follow-up on student attendance and progress.

Research:

- Carry out research and scholarly activities as well as publish in areas of specialisation. Ensure Research outcomes are relevant and applicable to key areas of teaching and benefit the students, University and the Kurdistan Region.
- Present academic papers at credible academic gatherings, such as but not limited to conferences and symposiums (nationally and internationally).
- Write expert reports, letters, or other documents dealing with complex, contentious, and sensitive situations (e.g., writing a project plan for a committee, writing reports to grant awarding bodies on the progress of research projects, and preparing written analysis of research data).
- Follow up on improving the quality of research and support the role of the University as a leader in the region.

Administration:

- Actively participate in academic and administrative committees formed at Programme, School, and University levels.
- Contribute to the administrative/management tasks (i.e., marketing, student recruitment, directing/coordinating Programmes, module coordination, etc.) as and when required.

Additionally, the selected applicant is to undertake any other Teaching, Research & Administrative reasonable duties commensurate with the nature of the post and as requested by the line manager.

University of Kurdistan Hewlêr  
زانکۆی کوردستان ههولێر

Society Engagement:

- Contribute, where appropriate, to knowledge transfer, leadership, public service, income generation, and consultancy activities of the University.

**PERSON SPECIFICATIONS**

The post-holder should have the following qualifications, skills, and competencies:

Required Qualifications & Skills:

- Master's degree or higher in Architecture, Interior Architecture, or a closely related field.
- Minimum 2–3 years of teaching experience in higher education, ideally in a studio-based design environment.
- Strong portfolio of academic, professional, or research work in Architecture or interior design.
- Proficiency in relevant design software (AutoCAD, SketchUp, Revit, Adobe Suite, etc.).

Desirable Attributes:

- Experience in sustainable design, building construction, or Building Simulation Modeling.
- Industry experience or professional licensing.
- Engagement in interdisciplinary teaching or design collaboration.

General Requirements:

- A recognised Teaching Certificate at the university level.
- Fluency in the English Language - Reading, Writing, and Speaking (ability to teach in English).
- A consistent record of teaching in the specialised area.
- The ability to comfortably teach across Programmes (4 – 6 modules), curricula, and to supervise dissertations and project works.
- Strong knowledge of subject areas combined with a broad subject background.
- Interpersonal, planning, and organisational skills.
- A good team player with the ability to work harmoniously with colleagues and students of all cultures and backgrounds.
- Commitment to high-quality teaching and fostering a positive learning environment for students.
- Commitment to continuous professional development, academic research, and income generation.
- Ability to deal with sensitive information with discretion and to maintain confidentiality at all times.
